## MINISTER'S MESSAGE

### A Backward Perspective

One of the questions that the storied philosopher Socrates posed was what is now called “The Euthyphro Dilemma.” When in his dialogue with Euthyphro, Socrates asked, “Is the pious loved by the gods because it is pious, or is it pious because it is loved by the gods?” When bringing that line of thinking to a Biblical worldview, he was essentially asking, “Is something good because it is inherently good? Or is something good because God said it was good?” I think we can probably agree that things are good or bad because God said so. As Creator of all things, He also created morality itself.

The prophet Isaiah said, “Woe to those who call evil good, and good evil; who put darkness for light, and light for darkness; who put bitter for sweet, and sweet for bitter!” (Isa. 5:20). In light of God having established good and evil and right and wrong, one who calls “evil good, and good evil” is viewing the world backward. We can do this without even thinking. Because we live in the real world, we are presented with evil in many forms. We can get so used to that that we forget that those evil things are actually evil. Let’s simply “test the spirits” and discern what is good and evil according to God’s standard. By doing so, we will see the world as He does.

-Brennan
